The “Sale of Satisfied Buyers”

WEDNESDAY, MARCH 14, 1962

KNOXVILLE, ILLINOIS — SALE BARN

62 LOTS

31 BULLS — 31 FEMALES

**CONSIGNED BY LEADING HERDS FROM
ILLINOIS — WISCONSIN — IOWA — MISSOURI**

GENERAL INFORMATION

TIME — Wednesday, March 14, 1962. Sales starts promptly at 12 noon. Lunch will be available.

LOCATION — The Knoxville, Ill., sale barn. The sale barn is heated and gives ample opportunity to see the cattle well in their stalls. Knoxville is six miles from Galesburg, which is on the main line of the Burlington and Santa Fe. Good trucking available.

SALE HEADQUARTERS — Hotel Custer, Galesburg, Ill.

AUCTIONEER — J. E. Halsey, Des Moines, Iowa.

SALE MANAGER — Don Longley, 16 So. Locust Street, Aurora, Ill.

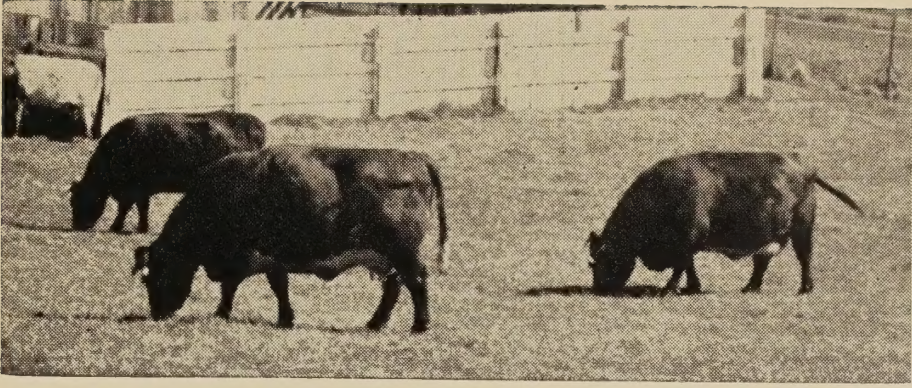

TERMS — The terms of this sale are cash at time of purchase. Settlements to be made with the clerk immediately following the sale. All stock will be at buyer's risk as soon as the bid is off, but we will assist in loading and helping buyers obtain trucking or rail transportation.

GUARANTEE — All cattle will be sold under the Standard Guarantee of The American Shorthorn Breeders' Association. All cattle will be tested for T.B. and Bang's within 30 days of the sale, with the exception of officially vaccinated cattle under the minimum age or Federally accredited herds. Interstate health certificates will be provided for out of state buyers. The sale will be under the health regulations of Illinois. **Since states differ on health regulations all buyers must be aware of the regulations in their own state.** Nearly all of the consignors in this sale practice calfhood vaccination.

A certificate of registration and a signed transfer will be supplied each lot sold properly transferred to the new owner. Calfhood applications will be supplied for calves in dam. Where footnotes appear in the catalog they were furnished by the consignor or written from information supplied by the consignor. The terms shall constitute a contract between the buyer and seller of each lot.

While every effort will be made to protect the safety and comfort of those attending, the consignors, sale manager, clerk, auctioneer, owners of the fairgrounds cannot be responsible for accidents that may occur. Every person attending must assume the risk of injury to himself. The sale manager was retained for specific tasks promotional and clerical and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees or possible errors on the health charts.

MAIL BIDS — Those wishing to buy at this sale who cannot be present may send their bids to the Sale Manager, Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.; or to the auctioneers or any consignor. The person exercising the bid will assist the buyer in making trucking arrangements. If circumstances make it necessary, we will make arrangements to have the cattle moved to a nearby farm for a few days following the sale, if it is a convenience to long distance buyers.

A trio of deep bodied, thick cows in the Nelson Farms' herd, Geneseo, Ill. This herd is represented in this event with two heifers.

A MILLION DOLLARS IN SALES IS BACK OF THE NAME . . .

“The Sale of Satisfied Buyers”

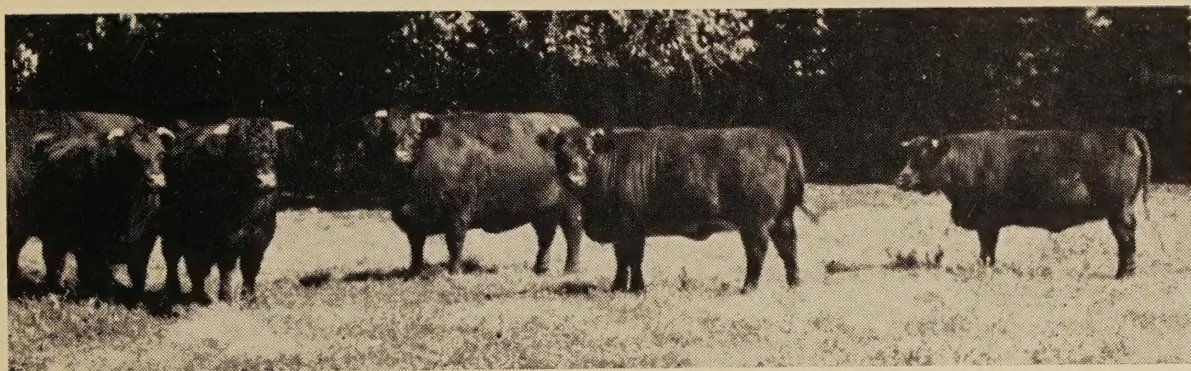

Yes, smart cattlemen have invested over \$1,000,000 in purchases at “The Sale of Satisfied Buyers”. Many good herds have been founded solely through purchases made at these annual events. Breeders from nearly every state have patronized this sale because they know the cattle offered are correct for herd improvement and that they sell at prices correct for your pocketbook. This is the sale where buyers who **MUST** make money buy the kind that **ALWAYS** make money.

This group of Leveldale Critic heifers illustrates why Leveldale Farms, Mason City, Illinois, is one of the breed's top herds. Leveldale is selling two sons of Leveldale Critic in this sale.
